Packaging: Case

Product Group: Test Kits & Equipment
Issue/Date: 1.20 - 22/10/2007

PRODUCT DESCRIPTION

The eazy CWT Test Kit, packed in a custom moulded case, contains all the necessary reagents and equipment to monitor the condition of engine cooling water.

Tablet and drop count tests provide an extremely simple yet effective method of analysis for an important range of water parameters. These tests are particularly useful for the routine logging and control of boiler water and cooling water systems when used in conjunction with our water treatments.

CONTENTS

1 x 4003 - Chloride LR Reagent
1 x 4005 - Nitrite Reagent
1 x 4007 - pH Test Strips 4.5 - 10 (100pcs)
1 x Carry case with sample container, test tube, stirrer and measuring syringes.

For replacement reagents please refer to above product codes.

DIRECTIONS FOR USE

The tests are carried out by taking a measured volume of water and adding one tablet/drop at a time until a prescribed colour change takes place. The result of the test is given by the number of tablets/drops used in relation to the volume of water sample taken. A wide range of test concentrations can be measured by varying the sample size taken of the test.

Refer to specific test instructions contained within the case.

HEALTH & SAFETY

Please refer to the Material Safety Data Sheet and Product Label for specific information.

LIMITATION OF LIABILITY

IMPORTANT: Eazychem's standard terms and conditions of sale apply and contain limitations on any liability that may be incurred by Eazychem arising in any way from the sale and use of any Eazychem products. In particular please note that Eazychem's terms and conditions state the following:

Except in respect of death or personal injury caused by Eazychem's negligence, or liability for defective products under the Consumer Protection Act 1987, Eazychem shall not be liable to the Buyer by reason of any representation (unless fraudulent), or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the Contract, for loss of profit or for any indirect, special or consequential loss or damage, costs, expenses or other claims for compensation whatsoever (whether caused by the negligence of Eazychem, its employees or agents or otherwise) which arise out of or in connection with the supply of the Products (including any delay in supplying or any failure to supply the Products in accordance with the Contract or at all) or their use or resale by the Buyer, and the entire liability of Eazychem under or in connection with the Contract shall not exceed the price of the Products, except as expressly provided in these Terms.
