## PRODUCT DATA SHEET ELECTRONIC CHARGING SCALE

Product Code: 7131

Product Group: Refrigeration  
Issue/Date: 1.20 - 29/11/2007

### PRODUCT DESCRIPTION

Eazychem introduces its new refrigerant charging scale, the most advanced electronic scale in the market today.

To avoid overfilling, the scale has an audible alarm to indicate when the recovery cylinder is approaching its rated capacity.

Constructed with a rugged aluminium cast body, the new scale now also offers programming capabilities.

### APPLICATION & USE

Product is used to continuously weigh the recovery cylinder during the recovery procedure to ensure that it is not overfilled.

### FEATURES

- Charge Programming: Allows user to program desired quantities. Before charge is complete, an alarm will sound allowing user ample time to turn off refrigerant supply
- Tank Capacity Programming: User aware of the amount of refrigerant left in the tank at any time
- Repeat: Allows user to charge previously stored amount
- Works with 110V or 220V transformer (not supplied)
- 3 hours auto-off function

### BENEFITS

Approval(s):	CE
Capacity (kg):	110
Accuracy (kg):	+/- 0.01
Resolution (kg):	0.01
Operating Temperature (°C):	0 - 49
Battery Life (hrs):	40 (approx)

### HEALTH & SAFETY

No Material Safety Data Sheet is available for this product. Refer to product manual for information.

### LIMITATION OF LIABILITY

IMPORTANT: Eazychem's standard terms and conditions of sale apply and contain limitations on any liability that may be incurred by Eazychem arising in any way from the sale and use of any Eazychem products. In particular please note that Eazychem's terms and conditions state the following:

Except in respect of death or personal injury caused by Eazychem's negligence, or liability for defective products under the Consumer Protection Act 1987, Eazychem shall not be liable to the Buyer by reason of any representation (unless fraudulent), or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the Contract, for loss of profit or for any indirect, special or consequential loss or damage, costs, expenses or other claims for compensation whatsoever (whether caused by the negligence of Eazychem, its employees or agents or otherwise) which arise out of or in connection with the supply of the Products (including any delay in supplying or any failure to supply the Products in accordance with the Contract or at all) or their use or resale by the Buyer, and the entire liability of Eazychem under or in connection with the Contract shall not exceed the price of the Products, except as expressly provided in these Terms.
