

## MARIWASTE PRESS

<b>Product Code:</b> 1871	<b>Packaging:</b> N/A
<b>Product Group:</b> Equipment: MARPOL Solutions	<b>Issue/Date:</b> 1.20 - 07/07/2015

The Mariwaste Press is a user-friendly marine grade device designed to efficiently compact and manage “soft” waste such as paper, cardboard, plastic and metal packaging.

Installation onboard vessels or offshore platforms will result in:

- Contributing to your SEEMP (Ship Energy Efficiency Management Plan)
- Lowering your carbon footprint.
- Lowering your waste collection or disposal costs.
- Facilitating your compliance with MARPOL Annex V (01/01/2013) that prohibits the disposal of ALL non-food based garbage at sea.
- Space saved made available for alternative use.
- Revenue stream from segregated and/or high value recyclable materials e.g. aluminium.

### Features & Benefits

Features	Benefits
CE Approved	Up to 10:1 compaction of cardboard packaging
Single-ram design	Up to 12:1 compaction of plastic bottles, cans etc.
Single operator and simple to use	Investment fully paid in as little as 6 months (based on cost of US\$300/ m <sup>3</sup> with 7m <sup>3</sup> /month compressed at 90%)
Safe “door-in-door” design	“Soft” waste savings of up to 60%
Drainage tray to retain spillages	Reduced waste collections / disposals
Up to 8 bales per hour	Space saved available for alternative use

### Contents & Models

As well as the equipment we also supply:

- Strapping Tape Dispenser
- Strapping Tool
- Strapping Sealing Buckles
- Bale Strapping Tape

Available in models with the following specifications:

Hydraulic Power (Tons)	from 10
Capability (Bales/Hour)	from 4
Bale Weight (Kgs)	from 5
Power (KW)	from 3
Max. Dims (mm)	from 870 x 780 x 2150
Weight (Kg)	from 600
HS Code	8422400000

### Health and Safety

No Material Safety Data Sheet is applicable for this product.

### Limitation of Liability

Eazychem’s standard **terms and conditions** of sale, available on request, apply and contain limitations on any liability that may be incurred by Eazychem arising in any way from the sale and use of products supplied by Eazychem.
