

## EAZY CITRACLEAN

---

<b>Product Code:</b>	2007	<b>Packaging:</b>	25L
<b>Product Group:</b>	Cleaning: Water Based	<b>Issue/Date:</b>	1.30 - 31/07/2015

---

eazy Citraclean is a concentrated blend of surfactants, soil dispersants, sequestrants and naturally derived citrus solvents, which gives the diluted product the capability to remove heavy soiling, which would normally require a solvent type product.

It is suitable for range of dilutions to give cost effective performance.

### Application and use

Benefits of using the product are:

- Economical to use
- Easily and gently removes dirt and grime
- Safe on paintwork, metal surfaces, glass and rubber
- Universal application
- Effective in hard and soft waters
- Petroleum solvent free
- Non Caustic – neutral pH when diluted
- Pleasant citrus odour
- Biodegradable

### Directions for use

#### General Cleaning:

For accommodation areas, floors etc. use at up to 1:150 parts dilution in water depending on the degree of dirt to be removed. Apply with brush, swab or spray and then rinse with clean water.

#### Heavy Duty Cleaning:

Effective heavy duty degreasing can be achieved by applying the product neat or up to 1:50 parts dilution in water to the areas to be cleaned. Apply to surface, work into dirt and allow a few minutes contact time prior to rinsing with clean water.

A hot water bath (up to 60°C) will increase the efficiency of the product when cleaning heavily soiled parts.

#### Graffiti Removal:

May also be used neat on a cloth to remove felt tip pen, crayon etc.

#### Chain Degreasing:

Dilute 1:1 with water or use neat with a cleaning machine.

### Health and Safety

Please refer to the Material Safety Data Sheet and Product Label for specific information.

### Limitation of Liability

Eazychem's standard **terms and conditions** of sale, available on request, apply and contain limitations on any liability that may be incurred by Eazychem arising in any way from the sale and use of products supplied by Eazychem.
